phoenixarrow475

Oh sorry, that sounded really harsh. Don't worry dude, I'll always be your friend. But....if you want to reboot P.E.R.S.O.N.A. in the summer I'm not sure that I'll be there.

It was, I loved all of my friends to death, and I hate to see them leave. I don't like it. And I'll be rebooting P.E.R.S.O.N.A. when the new Forums are up and loaded, and don't worry, I have all the forms that were accepted copied in a google docs, even yours. SO when you join, you'll be able to jump right in, no question asked. And I won't be here in the summer, I use a school computer, and I don't have my own personal device, so I'll be passing on the complete story of Persona to Fantasy.

Sorry to interupt brother, but I have but a few real friends in life. I did not know your a Christian or at least believe in God...Wait is your real name Zane because I have never met anyone with the last letter of the Alpahebet as the first letter in someones name and the second letter A. Hold on thats a lie I knew one person.
My friends outside of WoF are:
1) God & Jesus
2) My Horse
3) My Cat

4) My dog who is now deceased along with two cats who are deceased females.
~~5) Vixen (ex-friend) not her real name.~~
6) Rider (ex-friend and Vixens' brother) not his real name.
7) Two more siblings of Vixens.

Vixen's brother is a very bad word. He is a bad influence. Looks all sweet and nice and just a giant sweetheart or whatever but you turn your back and he is watching videos of people fighting...Not gonna explain why it is bad, but those are my real friends in real life. Never trust anyone I know if we ever were to meet. *Dilly Dallies* I found a new fun word to say.

{Jacquelyn}
The Big Rock Candy Mountain

Some say stange
Some say odd
I say child of the Living God
